

Revelation

A TIMELINE TO FINAL VICTORY

Purpose

Give an overview of the events of The Book of Revelation in chronological order as an introduction to better assist believers in understanding how the events will unfold.

Who Wrote Revelation?

The author of Revelation is the Apostle John, who wrote the Gospel of John as well as the three epistles 1st 2nd and 3rd John. The circumstances of the author's life matches that of the Apostle John and the writing itself points to a Jewish author living in or near Asia minor based on the saturation of Old Testament imagery. No other author has been credibly attributed to this book. Scholars believe that Revelation was written between AD 85 and AD 95, the authorship was most likely closer to AD 85...

Who Wrote Revelation?

The Apostle John was banished to the Isle of Patmos, a prison colony, and is the only Apostle not directly martyred for his faith. It is believed that he spent his last days on the Isle, dying there shortly after writing The Book of Revelation also known as the Apocalypse of St. John.

Where Is The Isle Of Patmos?
