

The Ancient Operations Of Mystery Babylon

1

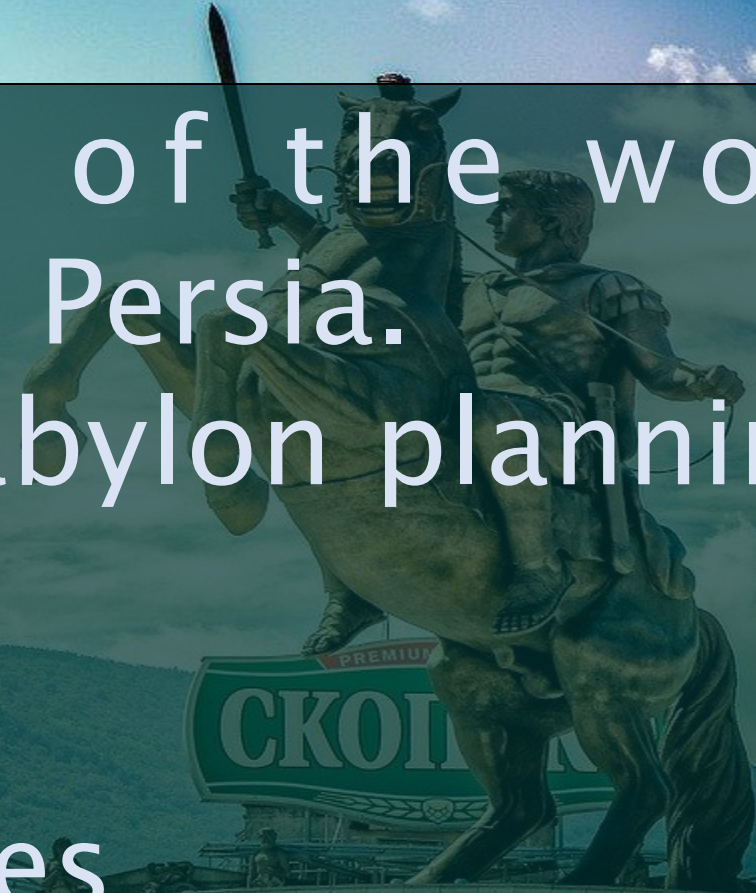

Ancient Motions of Babylon

- Cradles of Civilization began from a common source
 - Egyptian and Babylonian connected through Hittites.
 - Ethos of Babylon transmitted through Persia unaltered.
 - Alexander the Great was a game changer
- 

Alexander the Great

- Conquered much of the world, including Babylon and Persia.
- He fell in love with Babylon planning to make it his capital.
- When He died
 - Split into four empires
 - Religious Hellenization began

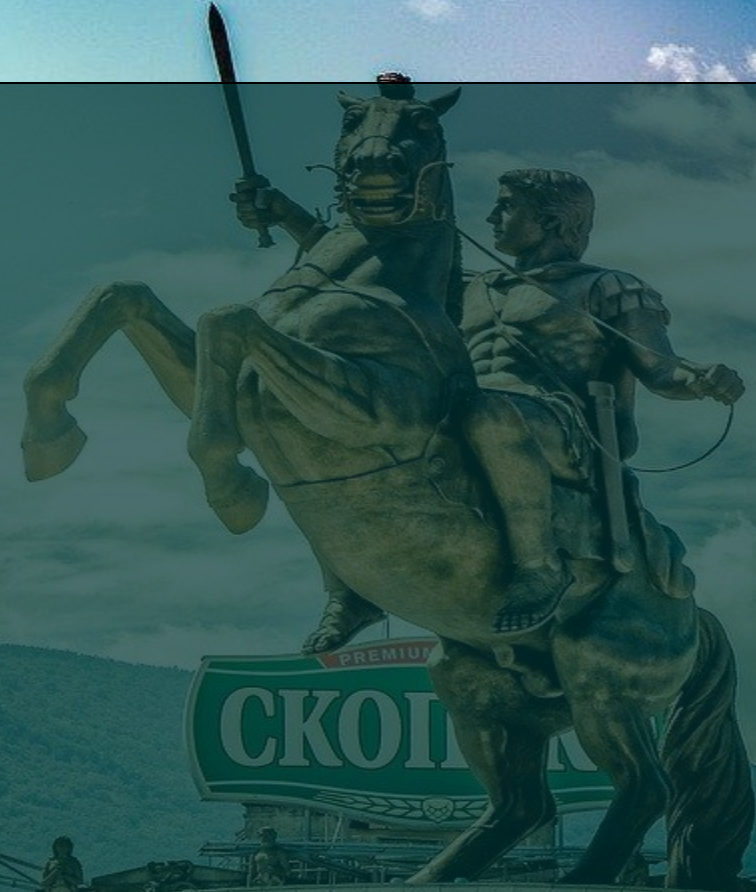

Hellenization From the North and South

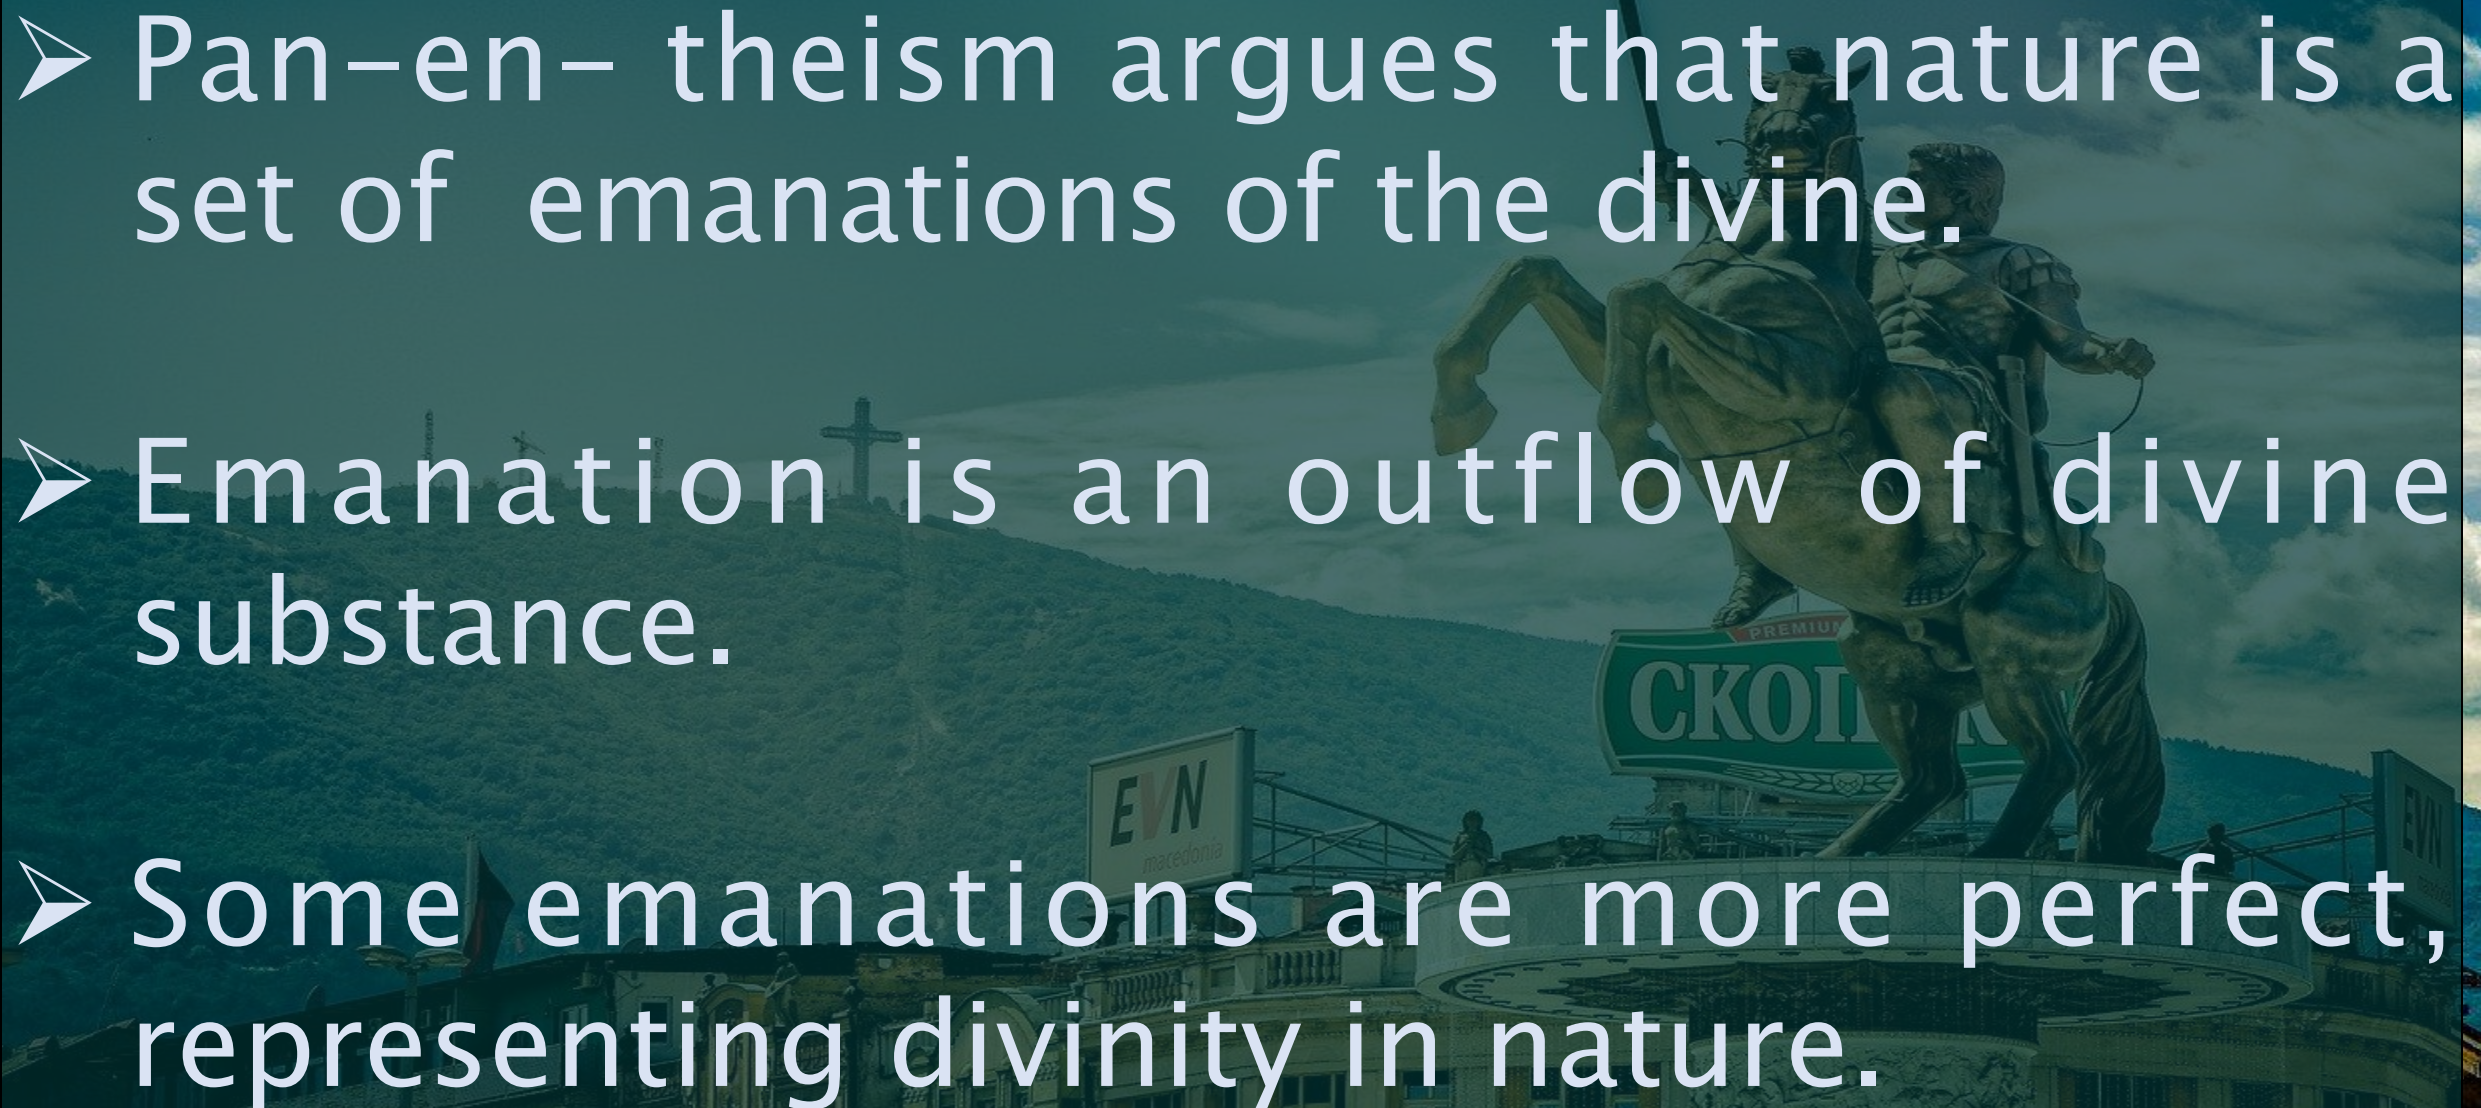

- The Ptolemies (Kingdom of the South) and the Seleucids (Kingdom of the North) began Hellenization.
- Mystery Babylon was repackaged as Greek Civilization.
- The tools of Greek philosophy were applied to religious development

The Pan-en-theisms of Babylon

- Kabbalah
- Neoplatonism
- Gnosticism
- Hermeticism

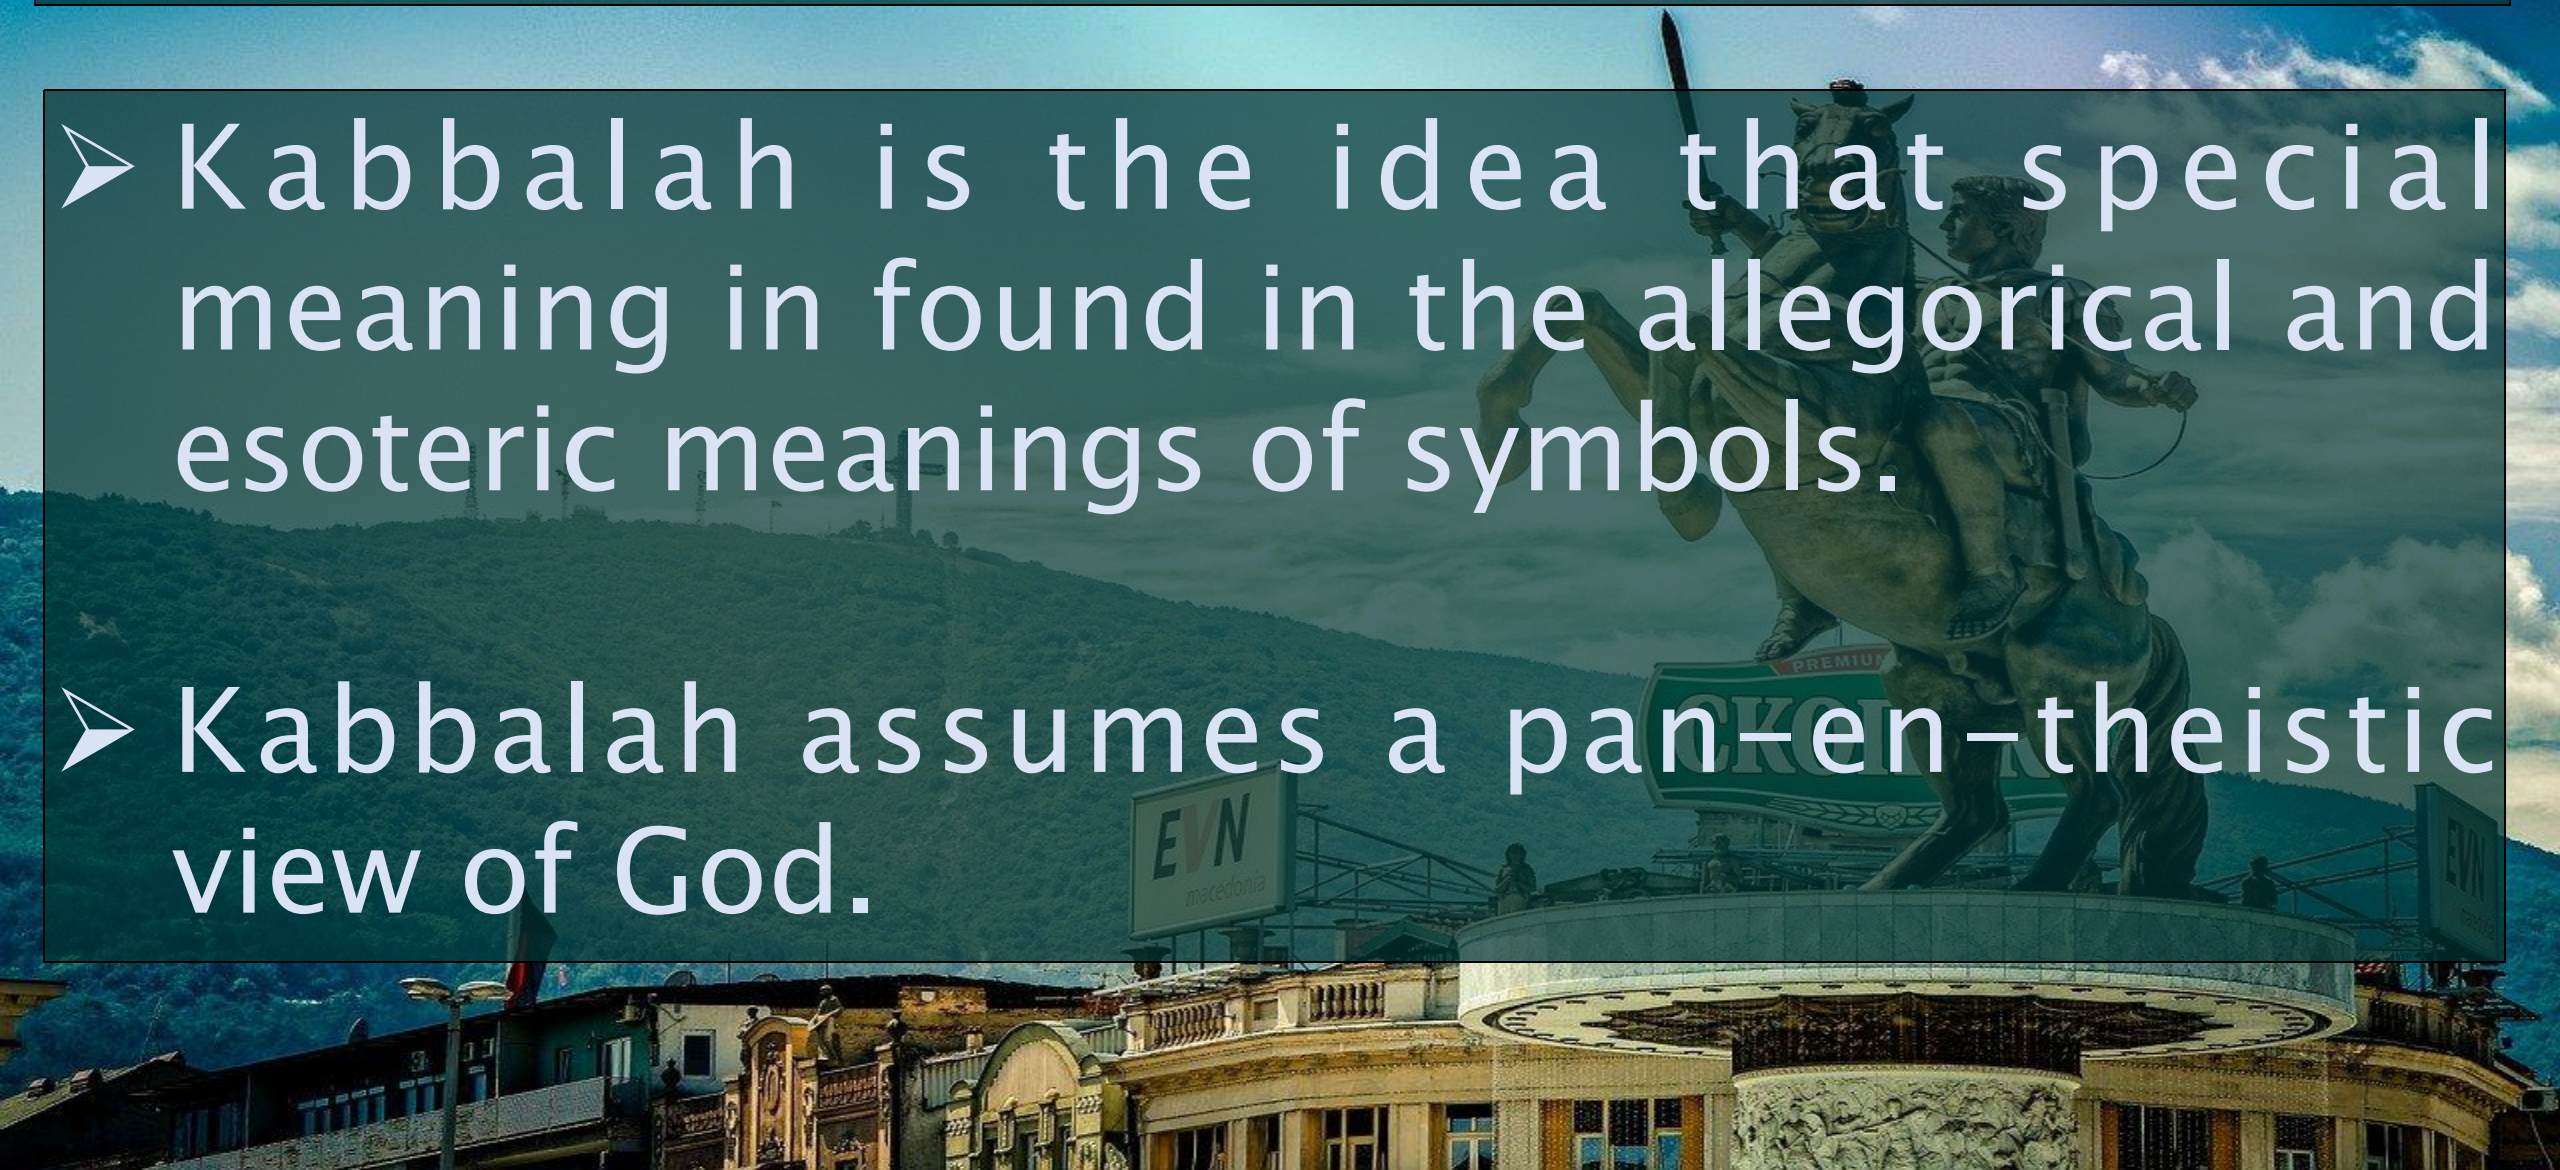

What is Pan-en-theism?

- Pan-en-theism argues that nature is a set of emanations of the divine.
 - Emanation is an outflow of divine substance.
 - Some emanations are more perfect, representing divinity in nature.
- 

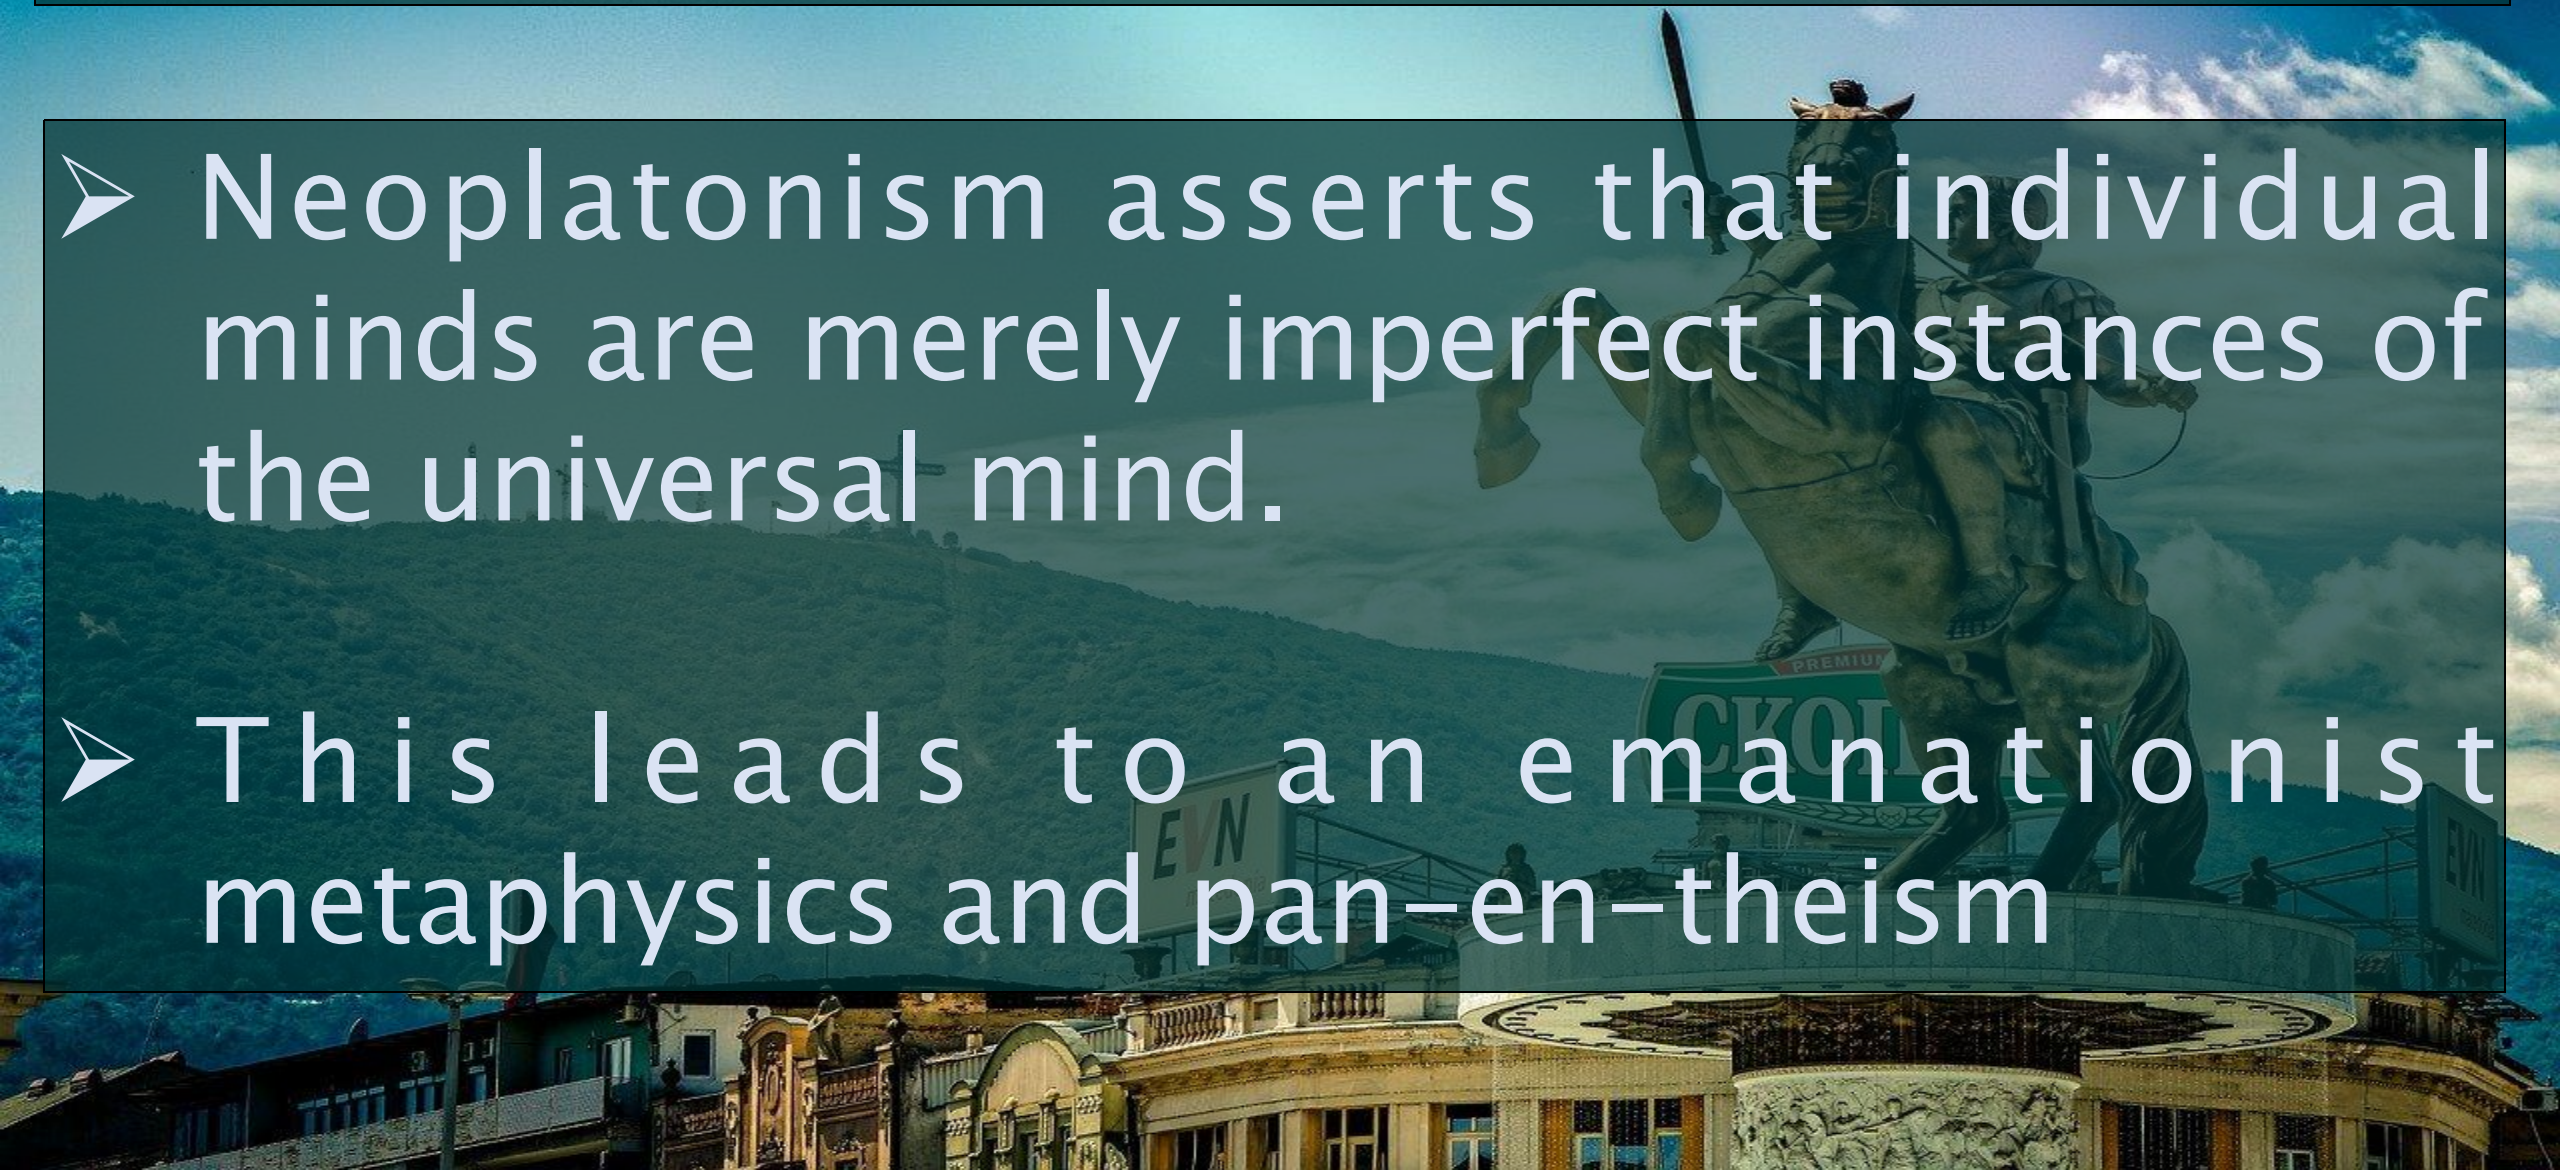

Kabbalah (Jewish Mysticism)

- Kabbalah is the idea that special meaning is found in the allegorical and esoteric meanings of symbols.
- Kabbalah assumes a pan-en-theistic view of God.

Neoplatonism

- Neoplatonism asserts that individual minds are merely imperfect instances of the universal mind.
- This leads to an emanationist metaphysics and pan-en-theism

Gnosticism

- Gnosticism asserts that an imperfect emanation, the Demiurge, created the physical universe.
- God and Satan are often flipped in these narratives.
- A more perfect emanation of deity resides as a divine spark in the “enlightened elite.”

Hermeticism

- Hermeticism asserts that a more perfect emanation of the godhead in the absolute state broke off to move in the physical world.
- This emanation enables some to rule as god on earth.
- It eventually reunite with the absolute godhead

Emanation's Big Problem

- If an emanation is an outflow of divine substance, then
 - An imperfect emanation is proof of an imperfect god – a demigod.
 - A perfect emanation expresses all perfect attributes
