Mystery Babylon Economic Power

Rev 18:23–24 The light of a lamp shall not shine in you anymore, and the voice of bridegroom and bride shall not be heard in you anymore. For your merchants were the great men of the earth, for by your sorcery all the nations were deceived. (24) And in her was found the blood of prophets and saints, and of all who were slain on the earth

Re-organizing the Control of Land

“Land resources are used for a variety of purposes which interact and may compete with one another; therefore, it is desirable to plan and manage all uses in an integrated manner. Integration should take place at two levels, considering, on the one hand, all environmental, social and economic factors (including, for example,...

Re-organizing the Control of Land

“...impacts of the various economic and social sectors on the environment and natural resources) and, on the other, all environmental and resource components together (i.e., air, water, biota, land, geological and natural resources). Integrated consideration facilitates appropriate choices and trade-offs, thus maximizing sustainable productivity and use...

Re-organizing the Control of Land

“...Opportunities to allocate land to different uses arise in the course of major settlement or development projects or in a sequential fashion as lands become available on the market. This in turn provides opportunities to support traditional patterns of sustainable land management or to assign protected status for conservation of biological diversity or critical ecologic services.”

Government Key Player in Agenda 21

Government plays the central role in Agenda 21. Sections 10.6, 10.7 and other places read *“Governments at the appropriate level, with the support of regional and international organizations, should...”* Agenda 21 is about state management of land and private property. Agenda 21 calls on governments to compile *“Compile detailed land capability inventories to guide sustainable land resources ALLOCATION, management and use at the national and local levels.”*

Agenda 21 Enforced Through Propaganda

Agenda 21 calls on a layered, syndicalist method of control, where governments “*Establish a general framework for land-use and physical planning within which specialized and more detailed sectoral plans (e.g., for protected areas, agriculture, forests,..*

Agenda 21 Enforced Through Propaganda

...human settlements, rural development) can be developed; establish intersectoral consultative bodies to streamline project planning and implementation; Government are to establish general parameters of the plan, while delegating details to specialized groups.

Agenda 21 Operates in a Syndicalist Regime

- Syndicalism is a form of socialism in which governance is syndicated out to vetted organizations (Fascism, public-private partnerships, etc)
- The appearance of decentralized power, but it is distributed centralized power.
- Examples include Nazi Unions, HillaryCare alliances, Bridges Project, Hunger Games, 15 minute cities.
