How Mystery Babylon Rules

Rev 17:1-6 And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: (2) **With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication...**

Rev 17:1-6 ... (3) So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. (4) And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:...

Rev 17:1-6 ... (5) And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. (6) **And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus:** and when I saw her, I wondered with great admiration.

The Harlot's Three Methods

- Conspiracy with Powerful People (Sex w/Kings)
- Propagandizing the masses (Drunkennesness)
- Persecuting the Saints

Conspiracy with Powerful People

- The Harlot religious system seduces those in leadership with things like wealth, power, and favors.
- The more elite the leader, the more vulnerable that leader would be.

Conspiracy with Powerful People

- The vast scale of modern wealth and power makes leaders easy prey to seduction as it results in opposing leaders having more in common with each other than other members of the groups they lead.

Propagandizing the Masses

- Promoting moral relativism to make people vulnerable to situational manipulations
- Establishing an epistemological cartel via Scientism.
- Manipulating people's minds and emotions.

Moral Relativism

- Moral Relativism serves the agenda of Mystery Babylon by disconnecting people from a strongly anchored reference point.
- By believing that morals are relative to situations, people become vulnerable to manipulation by elites because elites can manipulate situations to lead people to embrace the morality that the elites want to impose.

Epistemological Cartel

- Scientism is the belief that science authoritatively provides all knowledge.
- This requires a leap into mysticism that goes beyond the actual limits of science – and leads into Gnostic Hermeticism

Epistemological Cartel

- Scientism is the belief that science authoritatively provides all knowledge.
- This requires a leap into mysticism that goes beyond the actual limits of science – and leads into Gnostic Hermeticism

Epistemological Cartel

- Scientism turns science into a religion.
- Science has replaced traditional religion as the orthodoxy.
- Scientism can be used to subvert democracy into a technocratic elite, excluding “laity” from participation in policy formation

Persecuting the Saints

- Gaslighting and speech codes
- Emotional manipulation: Fear
- Emotional manipulation: False Love
- Hypersexualization
- Hyperviolence
